Marissa Dryer
General manager
Hot Topic
3500 McCann Rd
Longview, TX 7560

Dear Mrs. Dryer

As I walking through the mall recently, and as usual,I went into your store and started thinking I would love to work here because it would give me a chance to do something I love and am interested in.Ever since I was a little girl i've been wearing clothes from Hot Topic and I still do. My mother is a past store manager,therefore I am not a stranger to your store and how it operates.

I have a major interest in all aspects of music.The past four years i've played the flute for the White oak band.Marching on the football field and being in the JV varsity band are just a few things i've done this year,but music is not my only favorite, acting as well of singing.I volunteer at the VFW a lot and Doc Wilkes House of Horror.I help with Run For The Wall every year and every halloween season I'm some creepy character having so much fun.If you're not doing what you love then your wasting your time.And honestly who doesn't want to work at Hot Topic?

I would very much like to speak with you sometime about the job and show you how i would be a great help for your store.My memories of going into your store with my friends and my mom or dad will remain with me forever and working at Hot Topic has been my dream since my mom Worked there about 7 years ago. My cell phone number is 903-736-3721 and the best time to speak with me would be a little past 3:30 on weekdays.

Thanks,in advance,for your consideration,Mrs.Dryer

Sincerely,

Zoe Lambert
